A quick heads-up from D4Driving — our first price change since 2022

We've held our prices for four years. In that time the cost of fuel, insurance and keeping a modern dual-control fleet on the road has climbed relentlessly — so from **1 August 2026**, our prices are going up for the first time since 2022. We've restructured things so that committed learners actually get **better value than before**.

What's changing from 1 August: 🚗 Lessons from £42/hr (90-min and 2-hr options available) 📦 Block bookings now start at just 5 hours — £200 📅 The bigger the block, the bigger the saving — down to **£37/hr** on a 20-hour block 🎯 Test prep sessions (4 hrs) in Peterborough, Grantham & Kettering — £160 🎓 New students: your first Assessment lesson (90 min) drops to just **£45** — that's £10 LESS than today

The good news:  Anything you've already booked or pre-paid stays at the price you paid — no exceptions  Book or buy a block **before 1 August** and you get today's prices

Same instructors, same cars, same 83% first-time pass rate — 430+ local passes and counting. 🚗👥
